ARMY ROTC AT UNIVERSITY OF CALIFORNIA AT BERKELEY

A PATH TO CAREER SUCCESS

The Army Reserve Officers' Training Corps at UCB is a program of college electives which will provide you with the leadership and management skills necessary to succeed in your desired career, military or civilian.

CURRICULUM

Basic courses in customs and courtesies, map reading, management and leadership allow students to take a no-obligation look at Army officer career opportunities. Advanced courses refine skills and abilities and include a paid six week summer camp between your junior and senior years. The curriculum is designed to be exciting and educational. It is also flexible enough to fit into any course schedule.

EXTRACURRICULAR ACTIVITIES

Military Science students at UCB have the opportunity to participate in several extracurricular activities and clubs. The Rifle Club, Drill Team, and Ranger Club are a few. Cadets also participate in an annual Chancellor's Review.

FINANCIAL AID

Students have an opportunity each year to compete for scholarships that pay tuition and fees, a flat rate for books and supplies, and \$100 each academic month while the scholarship is in effect. All students enrolled in the advanced course receive \$100 per academic month during the last two years of the program. Members of the Army Reserve and National Guard are eligible for the Simultaneous Membership Program upon entering the Advanced Course. This enables them to receive additional pay as an E-5 officer trainee in their Reserve or Guard unit.

VETERANS

If you're a veteran, you may use your military experience for Advanced Placement Credit and take advantage of your veterans benefits in addition to Army ROTC's Financial Aid.
